6.2.1 - The institutional Strategic / perspective plan is effectively deployed institution

Response:

- The Government Degree College, Chebrole is a 40 year old institution which has grown step by step from an ordinary high school to the status of non-autonomous UG College offering 4 UG programs viz., B.A., (History, Economics, Political Science), B.Com., (Computer Applications), B.Sc., (Mathematics, Physics, Chemistry) and B.Sc., (Botany, Zoology, Chemistry).
- The Government Degree College, Chebrole, Guntur district, Andhra Pradesh is fully under the administrative control of the Commissioner of Collegiate Education, Government of Andhra Pradesh and would follow other instructions and guidelines of Andhra Pradesh State Council of Higher Education, affiliating university i.e., Acharya Nagarjuna University.
- The commissioner of Collegiate Education, Government of Andhra Pradesh would conduct off-line and on-line review meeting, for quality enhancement and enrichment in academic and administrative aspects, of all colleges in the state.
- As per demand and changing academic needs of the society, new courses were introduced and some old courses were being discontinued.
- The administration of this institution is made through IQAC, Staff Council and CPDC (College Planning and Development Committee).
- We would prepare the Strategic perspective plan before the commencement of each academic year. The aspects of this Strategic perspective plan included (1) Increasing the number of Admissions (2) Improving infrastructure (3) Garnering Funds from Government and Non-Government agencies (4) Enhancing the quality of instruction and student projects (5) Effective Evaluation strategies to measure the attainment of expected outcomes (6) Better outreach to Community.
- Every year perspective plans are evolved and deployed through action plans, budget allocation, academic and administrative activities and time to time review of respective outcomes to ensure the attainment of strategic plan governed by the Commissioner of Collegiate Education, Government of Andhra Pradesh.
- At every level there will be an effective monitoring and documentation. Committees consisting of all faculty members make need analysis at the ground level and this is followed by resource identification.
- Resources are identified either from the funds allotted by UGC, State Government, internal resources, CPDC, Alumni or the Voluntary Organizations. Then procedures are strictly followed to complete the process of allocation of funds.

Strategic Plans in respect of staff are

- To improve subject / domain knowledge for the faculty by arranging special training programmes
- To encourage faculty to participate in Workshops and Seminar at both National and International levels
- To encourage the faculty to improve qualifications including research
- To improve research capabilities of the faculty by funding research projects
- To achieve 100% computer awareness among Non-Teaching faculty
- To arrange programmes for improving English knowledge for Technical and other staff
- To encourage Non-teaching staff to improve their educational qualifications
- To adopt eco-friendly environment in the work place
