Analysis of Feedback:

Student satisfaction rate is high pertaining to the design and suitability. It is reflected that the prescribed curriculum is not so useful for other competitive exams and the time frame given is not sufficient for achieving the desired result. It is strongly agreed that the prescribed curriculum promotes social responsibility among the students. A good number of students are satisfied about the inclusion of environmental issues and the skill set provided to meet global challenges. The satisfactory level about the employability of the curriculum offered during second semester is good since it includes e-mail composition, reading skills, Curriculum Vitae, Note-Making and other components.

Action taken: Students were encouraged to study News Paper Articles, Short stories and other reading material on a graded basis. They were briefed about the major research areas in English. The insufficiency of the time frame is brought to the notice of the affiliating university and second semester exams were postponed by ten days.

A horizontal bar chart displaying the scores obtained by 12 students (labeled 1 to 12 on the y-axis) across 10 different questions (labeled Q1 to Q10 on the x-axis). The y-axis is labeled 'Serial number of each student' in red. The x-axis is labeled 'Score obtained in each question' in red, with a scale from 0 to 4.5. Each student's row contains 10 bars, one for each question, color-coded according to the legend: Q10 (dark blue), Q9 (grey), Q8 (dark red), Q7 (dark green), Q6 (medium green), Q5 (medium blue), Q4 (yellow), Q3 (light grey), Q2 (orange), and Q1 (light blue). The scores for each student are as follows:

ANALYSIS OF DATA AND OBSERVATIONS

- As per our evaluation, answers '4' means 'Strongly Agree', '3' means 'Agree' and '2' means 'disagree', '1' means 'do not know'
- Answers '4' and '3' are treated as '**Most Satisfactory**' and '**Satisfactory**' responses.
- Answers '2' and '1' are treated as '**Unsatisfactory**' response
- For Q. No. 1 i.e., '*Curriculum caters to the needs of Stakeholders in the subject*', the score obtained is 3.75 which is the highest in average score obtained.
- For Q. No. 6, and 10 i.e., '*Curriculum inculcates employability among the students*', and '*Curriculum provides skills to meet the global challenges*' the score obtained is 3.08 which is the least in average score obtained.
- For all the questions, the average score obtained is above 3.08 and it is in '**Most Satisfactory**' level

ACTION TAKEN REPORT

- As the average score obtained for all the questions in the Feedback on Curriculum by Students is in between 3.75 and 3.08, which indicates the '**Most Satisfactory**' level. Hence, it is resolved that the survey gives '**Most Satisfactory**' results.
- However, it is resolved to take necessary steps so that the average score would be improved in all the parameters in the future course of action.

ANALYSIS OF TEACHER FEEDBACK ON CURRICULUM - 2021-22

The average score obtained for each question is as follows.

S.No .	Question	Average Score
1	Aims and Objectives of the curriculum are well defined	3.83
2	Curriculum is contemporary and need based	3.58
3	Curricular frame work is well designed, the content is graded and the time frame is sufficient	3.25
4	Curriculum churns out industry ready students	3.17
5	Sufficient resource material is available for the prescribed syllabus	3.75
6	Curriculum has a good balance between Theory and Practical work	3.33
7	Curriculum promotes values among the students	3.58
8	Curriculum is revised on a regular basis and prepares students to face global challenges	3.08
9	Curriculum has scope to teach online	3.66

ANALYSIS OF DATA AND OBSERVATIONS

- Teachers of the this institution accepted that the curriculum is designed with clear cut aims and objectives.
- All the teachers agreed that the curriculum is contemporary but it can be made more advanced by introducing a course in data science, data analytics, digital marketing and financial consultancy.
- Some of the teachers expressed that the content is not properly graded and the time frame to complete the prescribed curriculum is not sufficient.
- Teachers are not satisfied about the preparation of industry ready candidates since practical orientation is not given due weightage.
- All the teachers agreed that the availability of resource material both online and offline is satisfactory.
- The balance between theory and practical work is good. However practical training can be given more weightage in evaluation.
- All the teachers accepted that the curriculum promotes societal, Environmental, Professional and ethical values among the students.
- Teachers expressed that the revision of the syllabus is not carried out after consulting teachers, researchers and industry personnel. Curriculum can be revised more often to make it more appropriate.
- All the teachers are partially accepted that the scope for blended and flipped teaching is satisfactory. However a course in sixth semester can be offered completely online.

ACTION TAKEN REPORT

- Faculty members who are nominated as BOS members of the affiliating university have strongly recommended their observations about the grading of the content time frame and credit structure.
- Teachers devised new techniques such as participatory learning, augmenting with technology etc. to attain the aims and objectives of the prescribed curriculum.
- Teachers updated themselves by doing various online courses. Teachers attended several faculty development programmes and webinars to teach the new CBCS curriculum.
