Analysis of the Feedback: Feedback collected is analysed to assess the effectiveness of General English curriculum offered during the second semester of the academic year 2020-21. It has reflected high level satisfaction about the design, the allotted time frame, the usefulness for competitive exams and the inclusion of environmental awareness. However the need to strengthen the promotion of research temper and the upgradation by including advanced topics is shown. Students have agreed that the prescribed curriculum helps in enhancing their employability and is sufficient to prepare them for global challenges.

Action taken: A 100 hr Communication Skills Training Programme was planned by the Jawahar Knowledge Centre of the college in the sixth semester to improve their skill quotient

3	The curriculum gives scope for work experience before entering the industry	2.25
4	The curriculum gives scope for work experience before entering the industry	3.25
5	The curriculum endows the candidates with work ethics	3.50

ANALYSIS OF DATA AND OBSERVATIONS

- It is reflected in the Employer feedback that the curriculum imparts a satisfactory level of skill set training required for the Job market.
- Most of the employers opined that the prescribed curriculum promotes good communication skills among the candidates.
- However the feedback reflected the necessity to provide work experience to students before entering the industry. Employers expressed that students need 5 to 6 months of training to get on board. They have advised to send students for internship either during the holidays or internship can be a part of the regular curriculum.
- All the employers are happy with the functioning of our students and certified that they have good work ethics.
- We have received suggestions to give hands on training in Ms Excel, to improve the typing speed of our students and encourage students to get trained in Autocad.

ACTION TAKEN REPORT

- It is seen that our B.Com (Computer Applications) students are trained in Ms Excel. This has been done in collaboration with the skill hub personnel working for Andhra Pradesh State Skill Development Corporation.
- Students were encourage to improve their typing speed by giving access to computer lab after college.

ANALYSIS OF ALUMNI FEEDBACK ON CURRICULUM - 2020-21

The average score obtained for each question is as follows.

S.No	Question	Average Score
1	Curriculum Contains the skill set required for the job market	2.90
2	Curriculum is Value-Based and promotes social responsibility	3.00
3	Curriculum is useful for other competitive exams	3.11
4	Depth of the curriculum is appropriate for the standards expected at under-graduate level	3.40
5	Curriculum provides scope for self-learning	3.30

7	Curriculum promotes research temper among the students	2.60
8	Curriculum provides awareness on environmental issues among students	2.90
9	Curriculum provides scope for the choice of Electives	2.50
10	Curriculum prepares students to face global challenges	2.70

ANALYSIS OF DATA AND OBSERVATIONS

- It is observed from the feedback given by alumni on curriculum that it should include more number of courses required by the job market and the skilling quotient should be emphasized.
- Alumni have expressed satisfaction with the importance given to value promotion in the syllabus.
- Alumni felt that the curriculum offered is sufficient to prepare them for competitive exams
- Most of the alumni are satisfied with the depth of the syllabus covered at under graduate level.
- Given the self learning design of the modules prescribed in curriculum alumni have expressed their satisfaction about the scope for self learning.
- However alumni expressed that the curriculum offered does not reflect the recent developments in the field of study and it should be updated.
- Alumni have also expressed their dissatisfaction about the promotion of research temper with the prescribed curriculum.
- Alumni said that more practical training in environmental education should be included. They wrote that one paper on environmental education in one semester is not sufficient. It should be offered in all semesters in a graded manner.
- The scope for the choice of electives is not given priority. Alumni expressed that more number of electives should be kept open.
- Alumni are partially satisfied about the preparedness to face global challenges with the prescribed curriculum.

ACTION TAKEN REPORT

- From the open ended question it is observed that alumni have suggested including more number of practical oriented courses and conducting more number of job drives. The affiliating university under revised CBCS Curriculum laid emphasis on practical training with the introduction of Short Term Internship and Semester Internship.
- The gaps in the regular curriculum are filled by offering a certificate course in Tally, skill development course in Logistics and Supply Chain Management, ICT, Survey and Reporting, Social work methods, Insurance Promotion, Tourism Guidance.
