CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Government Degree College, Chebrole is affiliated to Acharya Nagarjuna University, Guntur. This institution adapts the curriculum designed by the Andhra Pradesh State Council of Higher Education which is also approved by the affiliating university i.e., Acharya Nagarjuna University. The Andhra Pradesh State Council of Higher Education constitutes State Level Expert committees to frame the Common Curriculum under CBCS framework for various undergraduate programmes offered by all universities in the state. These committees follow the guidelines framed by University Grants Commission and design the curriculum under CBCS framework to suit the needs of the society and job market. The Board of Studies appointed by Acharya Nagarjuna University approves the same Common Curriculum with slight modifications after considering the local requirements. This institution has evolved a mechanism for the effective implementation of the prescribed curriculum to achieve the desired objectives. Individual departments prepare an action plan by clearly defining the Programme Outcomes, Programme specific outcomes and course outcomes. Annual Academic Curricular Plan is prepared by each teacher. Curricular activities are planned annually, monthly, weekly and to the minute level of an hour. Co-curricular activities that augment learning are also planned well in advance and are shown in the Annual Academic Plan. Lesson plan reflects all the activities planned in the classroom and outside the classroom. The Principal and the IQAC approve these Annual Academic Plans and make suggestions if any. Curriculum delivery is continuously monitored by the Principal and IQAC at college level. The Academic performance of the institution is continuously monitored by the Commissionerate of Collegiate Education, Andhra Pradesh. Evaluation is comprehensive and quantifies the achievement of the set objectives from time to time. Feedback is sought from all the stake holders and suggestions are brought to the notice of the affiliating university. Certificate Courses and Value Added courses are planned and conducted to bridge the gaps and to enrich curriculum.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained
Student feedback is sought every year. Questionnaires are prepared to seek feedback on Curriculum, quality of teaching, infrastructural facilities, support given to students and on grievance and redressal mechanism. Feedback forms are distributed to all the stake holders of the college. Student feedback on curriculum, teaching, infrastructure and support is measured on a five point scale. The response is in five point scale which includes Excellent, Very good,

Good, Average and Poor. Each questionnaire contains twenty questions on the usefulness of curriculum, Curriculum delivery, Teaching practices, support extended to students in the form of scholarships and coaching for competitive exams and on the Grievance redressal mechanism. Parents meeting is conducted to elicit their opinions on various aspects of the college with the help of a questionnaire. Recruiters are also requested to give written feedback about the institution at the time of conducting job drives. Alumni are asked to fill the feedback forms at the time of receiving their testimonials. Student feedback forms are analyzed to consolidate the inputs about the quality of teaching and infrastructure. Student response to each question is analyzed and recorded. Recommendations of the Alumni on curriculum are recorded and forwarded to the affiliating university. An Action plan will be prepared to implement the suggestions given by parents.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

This institute has an effective Continuous Internal Evaluation system. As per present curriculum under CBCS framework, 25 per cent marks are earmarked for internal evaluation in each and every core subject. The student deemed to be passed in the concerned subject only when he secures 40 percent of marks in

internal and external examinations separately. We have to conduct two mid examinations as per university academic calendar for internal evaluation. Every department follows their own mechanism for continuous internal evaluation of each and every student in their subject. As per guide lines of the university, every department of institution conducts internal evaluation. The internal marks are awarded basing on the continuous performance in slip test, assignments, performance in student seminars, quiz programmes, performance in the laboratory in case of science students, performance in mid examinations including regularity in attending the college the student. As there is mentoring system, all staff members are in touch with the students of their ward and it would also useful to evaluate the student internally. Basing on the performance of the student in this internal evaluation, students are grouped as slow, moderate and advanced learners. Slow learners are given remedial coaching so that they can improve their course knowledge.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

This college is affiliated to Acharya Nagarjuna University and this affiliating university prepares Annual Academic UG Calendar well in advance before commencement of the academic year, duly incorporating reopening day, closing day, last date for admissions, date of commencement for class work, details of Dasara holidays, Christmas break, Pongal holidays, dates for mid examinations, date of commencement of odd and even semester end examinations and year end examinations as the case may be, including date of commencement of practical examinations etc., in their UG calendar. We prepare our annual academic calendar duly following the UG Annual Academic Calendar of the affiliating university i.e., Acharya Nagarjuna University only. Annual Academic Institutional Plan is prepared in terms of university colander which is the blue print for future course of action during the academic year in terms of academic, administrative and quality enhancement measure. We do incorporate all the planned academic activities like celebrations of Ozone day, Telugu Bhasha Dinotshavam, National Science Day etc., in our academic calendar. Also we incorporate planned community awareness programmes like Yoga Day, Voters day, Aids day etc., and make necessary arrangements so that students would participate with true spirit.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. We believe in the decentralization of academic and administrative matters. In the beginning of the academic year every year, the Principal of the college constitutes academic and administrative committees viz., Admissions Committee UGC Committee Special fee Committee Self fund fee Committee Library Committee Student Union Committee Student Disciplinary Committee Sports Committee Cultural Committee Anti-ragging Committee Women Empowerment Committee Grievances and Redressed Committee NSS Committee JKC Committee CPDC etc., and Principal is the Chairman of all the committees, for smooth running of the college in academic and administrative matters. IQAC is the main committee to look into the matters of quality maintenance and enhancement of academic matters. All faculty members, students, parents, alumni, local education experts are involved in these committees for maintenance and improvement of academic and administrative aspects of the college. In case of finance matters, Staff Council Resolution is must as per guide lines issued by the government.

2. This approach of participatory management enables the students to acquire leadership qualities, task management etc. This institute promotes the culture of participative management at the strategic level, functional level and operational level. At strategic level, the Principal and staff counsel are involved in defining the policies and framing of guidelines and rules and regulation relating to discipline, grievances, support services etc. At functional level, the faculty and stake holders share their knowledge among themselves while working for a committee. At operational level the Principal interacts with all stake holders before taking final decision. We take resolutions from the concerned committee for every decision of financial and administrative aspect and then only further process would be conducted in administrative and academic matters of the college.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Research and Development	The Staff members of the Institution are encouraged and supported by the Principal to publish quality research papers in reputed National and International Journals, apply for UGC/DST projects and to organize seminars and workshops. Students are

	encouraged to take up small research projects by involving in various innovative study projects by all departments of our college.
Library, ICT and Physical Infrastructure / Instrumentation	The Task of computerization of Library is under process. The Library is equipped with 7478 Books and Journals. Students and Faculty are encouraged to utilize various resources of Digital Library, whose shortcuts are available in our Website.
Human Resource Management	Human resources are used properly for the development of Institution and the service of the students. All the staff members are encouraged to attend Refresher courses in respective subjects. Orientation Programs to multidisciplinary subjects and Faculty development programs from various institutions for the capacity building of the staff and development of the Institution. Organized In-house faculty development programs on ICT Tools and on MS Word for documentation for supporting of staff. The students are encouraged to get life skills and technical skills through JKC, APSSDC and other department programs. The Non-teaching Staff are encouraged to pursue their higher education in distance mode.
Industry Interaction / Collaboration	Department of Chemistry, Department of Commerce, Department of Physics have conducted field trips to the nearby spinning mills, milk factory etc., to create job awareness among students.
Curriculum Development	Affiliated University takes proper steps for the curriculum design and development. We do take feedback on curriculum from all stake holders and submit it response to the affiliating university for curriculum enrichment.
Teaching and Learning	The facilities of our Institution adhere to various ICT enabled and innovative student centered teaching, learning and evaluation methods. Few of them are Blended learning, Flipped class rooms, Group discussions, Seminars, Field trips, Study projects etc. ICT enabled teaching with the help of power point presentations, videos from YOU TUBE, NPTEL etc is encouraged.
Examination and Evaluation	Semester-end examinations are conducted in the Institution as per the norms of Acharya Nagarjuna University. Continuous internal assessment is being

done for every student throughout the semester for 25/100. Marks are allotted for student seminars, Group discussions, assessments, mini study projects, Quizzes, elocution etc., besides observing the students regular attendance for internal assessment.

Admission of Students

1. Generally, in the last week of February every year, the faculty would visit nearby junior colleges and interacts with senior intermediate students and invite them to join in our college after completion of their present course of study by explaining the academic and infrastructural facilities available in this college. 2. Students were admitted into the Institution on merit cum roster basis by notification and then first and second counseling as per the rules of reservation in for force. 3. The Institution follows the norms of the Acharya Nagarjuna University for admitting the students in various UG programs. 4. Financial help, flexibility in payment of fees on installments is allowed for the needy students.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Finance and Accounts	All payments relating to salary and other payments of the faculty members and other expenditure related matters are processed through Andhra Pradesh Treasury online portal. Even, special fee collections from students would be deposited in the treasury account and would be processed though online.
Student Admission and Support	As per the guidelines of Commissionerate of Collegiate Education, Andhra Pradesh and schedule given by the affiliating university, we take up admissions process as per rules in force. Other support activities like Scholarships university examinations, we would create required database of the students in respective online portal like online scholarship portal, university gullies portal etc.
Examination	We would upload the students data onto the website of the university data base for preparation of gullies. Preparation and processing of students for examinations purpose is through university website. After completion of

	valuation process, the affiliating university announces the results through online.
Planning and Development	At present we have been implementing e-governance in the areas financial management only. In respect of payment of salaries to staff and payment of other related bills is through government online portal. Application for scholarship and its payment is through concerned government portal only. We do display our data through our website through online. We have been planning to conduct most of our academic and other activities through online as promotion of e-governance.
Administration	#Submission of salaries and other bills of all staff members are being processed through AP treasury portal which is an online platform. After processing of respective bill, the amount would be directly credited into the bank account of in the individual. #Biometric devices were installed to take attendance of the teaching, non-teaching faculty. Attendance captured from these biometric devices is being analyzed and consolidated. #Application for scholarships and process of these scholarship applications is through e-pass portal of Government of Andhra Pradesh. #Details of the newly admitted students of the college are being uploaded to the affiliated University database which is helpful to prepare Galleys. Internal marks of the students are being uploaded to the affiliated University through online mode with login credentials.

Plantation programmes are conducted by NSS unit during the rainy season and required plants are being supplied by the government
Clean and Green activities are conducted frequently with participation of all students to create awareness on eco-friendly atmosphere
Use of LED bulbs instead of filament bulbs is encouraged in the campus as an eco-friendly measure.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice- Self Help is the Best Help - Objective: To utilize student

services for the larger good of the institution and to implement strategical Self- management. Most of the times Government institutions hire personnel from outside to carry out minor repairs and to maintain other establishments. It has been thought that these services can be obtained internally by roping in student community.-Method: Students who wish to volunteer themselves are identified and included in the Self Help is the Best Help Group of the institution. These students already exhibit certain mechanical and technical skills. They are further trained in carrying out minor and major electric repairs, repairs to computers and other lab equipment. Weekly one hour training is provided to this group by a team of experts either from the staff or from a person hired from outside on payment basis. It is a one time investment for the institution since successive generations of students are trained by seniors. Practice: The trained students are an asset to the institution. They carry out minor repairs with ease to save money and time. Resources: Tool Box and other CDs that help in fixing Bios issues Evidence of Success: This scheme received appreciation even from the parents since students are heard of utilizing their skill set at home. # Best Practice- 'Aalana' (To care) - Objective: Stronger women can make a stronger Nation. The institution believes in Gender equality and in empowering women. Most of the women students studying in the institution are from marginalized sections which are deprived of the means to take nutritious food. They are malnourished, Anaemic and look smaller for their age. This prevents them from participating in Sports and other activities that require physical stamina. It has been our mission to provide the required nourishment so that they can record the expected height and weight and evince an interest in sports. Method: Physical tests are conducted once in three months to measure their growth and HB level. Anaemic students are identified and kept under the supervision of a Gynaecologist. A diet plan mostly with locally available food items is prescribed for them with the help of nutrition experts. Funds will be raised by the institution either in the form of contributions from staff and public or from internal sources to meet the expenditure. The Practice: Prescribed items are procured by the purchasing committee of the Student Union. A member from the Non-teaching staff maintains a record for this stores. Menu is prepared on a daily basis. Menu includes Milk with Jaggary, Fruits, Dates, Ground Nuts and sweets prepared with Millets. These are distributed among women students in the evening absolutely free of cost. Periodical health Check-ups are organized by NSS. Difficulties Encountered: No difficulties were encountered so far relating to fund raising and management. Evidence of Success: Improvement in haemoglobin levels of the students after three months. Maintained with fewer students.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

As our institution is located in the Chebrole Mandal headquarter, there are many small-scale industries in and around Chebrolu, like cotton spinning mills, soap factory, textile industry milk factory. The students are taken to these places as part of field trips and awareness is created about various job opportunities available there. This enables them to develop necessary knowledge and skills related to their curriculum and also for employability. The observations and opinions of the employing agencies are intimated to the university. As stated earlier, our college offers job oriented training courses on a special platform called "Jawahar Knowledge Centre" or JKC. JKC classes are conducted for final year students. These classes train the students in

Behavioural skills, Communication Skills, Reasoning and basic mathematics. Students are trained for various competitive exams like bank exams, state government group exams etc. JKC invites various companies to conduct campus interviews for students of various degree colleges and empower them with employment before completing their degree course.

8.Future Plans of Actions for Next Academic Year

Academic Excellence is a continuous journey. The institution has prepared a road map to create a better learning environment in a phased manner. The institution strives to reach out to more number of students and hence special focus will be laid on increasing admissions for the ensuing Academic Year. The IQAC is planning to introduce new courses like B.Sc., (Mathematics, Statistics, Computer Science) and B.Sc., (Mathematics, Chemistry, Computer Sceince) for the next academic year as we have been receiving demand from students and parents for introduction of job oriented courses. Two new Certificate Courses will be introduced so that students will be exposed to a wide variety of areas in each subject. The IQAC has been planning to approach local philanthropists for financial assistance for improvement of infrastructure facilities in our college. Sri Parimi Satyanarayana, local philanthropist has constructed one class room in our college premises in the year 2015. He also promised to denote 0.75 cents of land to our college if name of the college is named as 'Sri Parimi Satyanarayana Padma Vasini Government Degree College, Chebrole'. The IQAC would take necessary steps for speedy disposal of the same so that the entire land of 0.75 acres would be added to our existing college land. Necessary proposals are to be submitted to the concerned authorities for sanction of new NCC unit to this college. The Use of ICT tools will be increased to create a more interesting learning atmosphere. Student mentoring and grievance redressal will be strengthened
