All the Teaching, Non-Teaching staff, students and interested parents can be the members of this army. The motto has been 'There are more than Ten ways to save the Planet'. The Method: All the members of the Green Army take an oath to live an Eco-Friendly life. Members choose to adapt a simple life style with minimum resources. They advocate against Consumerism and actively involve themselves in campaigning these ways. Green Army works for a better tomorrow and organizes rallies to convey this message. Members get together to enact street plays to create ecological awareness. Videos are prepared by the team to reach out to the target group that leads an expensive life style at the cost of natural resources. The Practice: Each member in the Green Army strictly follows the 'Ten Commandments -Avoid Plastic Bags-Use Public Transport-Avoid buying packed items since packing material is not biodegradable and injurious to the environment-Avoid Eating Out-Plant a Tree on Your Birthday-Plants are the best gifts-Check the tyre pressure of your vehicle every day -Manage with less water-Don't buy many clothes -Avoid using disposable Plates and glasses.- Placards are displayed in the vicinity of the institution to attract the passersby. Resources: Placards and Videos Evidence of Success: All the efforts of the Green Army received encouragement from the community. The number is ever expanding.

Best Practice- Soft Skill Training- Objective: In today's world of cut throat competition individuals need to be physically fit, mentally strong and emotionally balanced. Students pursuing higher education need to be equipped with certain soft skills that enable them face the challenges of the outside world boldly. Method: Soft skills cannot be taught in isolation. Integrating Soft Skills with Text will be double beneficiary for students since it provides an opportunity for them to learn language skills and soft skills simultaneously. The Department of Telugu, The Department of English and the Department of Hindi have jointly designed a programme titled, 'Samishti' to impart training in soft skills along with language skills such as Listening, Speaking, Reading and Writing. Poems/Prose pieces/Narrations emphasizing on soft skills such as Positive Thinking, Emotional Intelligence, Time Management, Interpersonal relationships, Punctuality, Netiquette are collected from various sources. Activities to promote Language Skills and identification of Soft Skills are designed separately for each piece in this collection. Practice: Students are involved in the activities designed for that selected piece. Experiential questions are given to check the understanding. Practical conditions are simulated to measure the use of the soft skills they have learnt. Evidence of Success: Stories have been an all time favourite of people irrespective of their age. This method has evoked interest among the students use soft skills. For example the value of team work is taught using an African story titled, 'Ubuntu'.

As our institution is located in the Mandal headquarter, there are many small-scale industries in and around Chebrolu, like cotton spinning mills, soap factory, textile industry milk factory. The students are taken to these places as part of field trips and awareness is created about various job opportunities available there. This enables them to develop necessary knowledge and skills related to their curriculum and also for employability. The observations and opinions of the employing agencies are intimated to the university. As stated earlier, our college offers job oriented training courses on a special platform called "Jawahar Knowledge Centre" or JKC. JKC classes are conducted for final year students. These classes train the students in Behavioural skills, Communication Skills, Reasoning and basic mathematics. Students are trained for various competitive exams like bank exams, state government group exams etc. JKC invites various companies to conduct campus interviews for students of various degree colleges and empower them with employment before completing their degree course.
