15. Multidisciplinary / interdisciplinary

The institution organizes academic, Co-curricular and extra-curricular activities in an interdisciplinary mode.

The Languages, Humanities and Sciences departments collectively organize the events during the celebration of important days such as 'World Population Day', 'Women-Equality Day', 'Dr. B.R. Ambedkar Jayanthi' to bring out the multi-dimensional understanding of the importance of that event.

Student Study Projects are designed with an interdisciplinary approach.

The state of Andhra Pradesh has designed the curriculum in consonance with the New Education Policy, 2020.

Each student has to complete Four Life Skill Courses and Four Skill Development Courses such as 'Public Relations, Supply Chain Management, and Electronic Appliances that are offered and shared by the faculty across the disciplines.

16. Academic bank of credits (ABC):

This institution adapts the new CBCS curriculum framed by the Andhra Pradesh State Council of Higher Education.

All the colleges affiliated to various universities across the state follow this common core syllabus with the credit structure being equivalent.

The credits acquired by a student in each semester are duly mentioned in his 'Marks Memo' which facilitates his/her mobility to other institutions.

The transcripts issued by the affiliating university contain the whole gamut of the courses completed and credits acquired by the

individual student.

17.Skill development:

As part of curriculum prescribed by the affiliating university under CBCS w.e.f., 2020-21, we have been offering LIFE SKILLS COURSES and SKILL DEVELOPMENT COURSES as detailed below.

1.LIFE SKILL COURSES

During first year, semester - 1, we offered "Human Values and Professional Ethics" as Life Skill Course for all students.

3. JAWAHAR KNOWLEDGE CENTRE

Jawahar Knowledge Centre was established at our college as per instructions of our Commissioner of Collegiate Education, Andhra Pradesh. We have been imparting training in Communications Skills and Analytical Skills for the outgoing final year students with effect from 2012. A full time mentor is also appointed for smooth

running of these skill courses by Jawahar Knowledge Centre at our college.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

This institution has acknowledged the necessity to integrate Indian Knowledge system for the benefit of posterity.

Classical Indian Literature is a part of the curriculum offered by the language departments.

Rangoli competitions, poster presentations on great Indian teachers and scientists are conducted by and large.

Departemnt of English conducted a programme of Poster Presentation on *Great Indian Teachers* and the report on the same is uploaded on UGC website.

Instruction for 3rd, 4th, 5th, and 6th-semester students is given in Telugu.

This institution celebrates 'Telugu Basha Dinotsavam' and 'Hindi Diwas' on a grand scale to commemorate the contribution of great Indian poets and writers.

Field trips are organized on a regular basis to create an awareness of the historical places around the district.

NSS volunteers are instructed to participate in all the cultural events organized by the local bodies, government and NGOs.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Administration and IQAC of the institution emphasize on objectifying the outcomes of each programme offered before the beginning of the Academic year.

Feedback from all the stakeholders is given due weightage while materializing the outcomes.

Programme Outcomes, Programme Specific Outcomes and Course Outcomes are prepared by all the departments well in advance.

The expected outcomes of all the programmes are modified on a regular basis according to the changing needs of the needs of students, society and the employer.

All the programmes closely consider employability as the primal outcome alongside Skill training.

The Language departments specify character building, human values and environmental consciousness as the uppermost outcome of each course offered.

The IQAC of the institution constantly monitors the attainment of the exteriorized objectives by focusing on the implementation of the institutional plan, curriculum delivery, student progression, feedback and Alumni interactions.

20.Distance education/online education:

The second wave of the Pandemic has compelled educational institutions to conduct online classes for first, fourth and sixth-semester students entirely in online mode.

Faculty were trained in delivering lessons through Google Workspace.

The invariability and the effectiveness of the online classes are closely monitored by the Commissionerate of Collegiate Education, Andhra Pradesh with the recordings being uploaded in 'Bharat Padhey' tab of their website.

The internal assessment was also conducted in online mode.

WhatsApp groups were created by all the teachers for sharing learning material.

Each student was given guidance and counseling. Important events such as 'Women's Equality Day' were also conducted using online platforms.

Faculty attended several webinars and training programs to update themselves.

Some of the faculty members have developed e-content for the larger benefit of the students. Instruction is being carried out in blended mode even after offline classes were resumed.

Teaching faculty opt for online classes on Sundays and Public Holidays if required.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

This institution is affiliated to Acharya Nagarjuna University and adheres to the curriculum framed by the university. Each undergraduate programme is steered through six semesters. Each department sets to work with a clearly defined record of Programme Outcomes, Programme Specific Outcomes and Course Outcomes. The POs and PSOs are kept at the disposal of all the stake holders. The IQAC of the college prepares an institutional plan annually in consonance with the academic calendar circulated by the affiliating university. Effective curriculum transaction is ensured through proper planning after considering the number days available for instruction, infrastructural facilities and human resources. Each faculty member prepares an Annual Academic Curricular Plan (AACP) to schedule various curricular, co-curricular and extra-curricular activities and works in the direction of achieving the expected outcomes of each programme and course. Bridge Course, class wise time table, Internal assessment and remedial coaching slots are fixed well in advance. IQAC encourages the faculty to adapt student centric methods such as project-based and experiential learning. The efficacy of class room instruction is measured through a structured feedback from the students. This institution has organized three certificate courses to supplement university prescribed curriculum.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

This institution strictly adheres to the Academic calendar circulated by the affiliating university. The commencement of classes for each semester, payment of examination fee, closure of instruction, theory and practical examinations schedule and terminal holidays prescribed by the university are followed without any deviation. Internal assessment is continuous and comprehensive with due weightage given to assignment, student seminar and two mid-semester examinations. Internal assessment time table is prepared before the beginning of instruction and followed by all the departments. The supporting cells of the institution such as Placement cell, NSS etc., prepare separate calendars for effective functioning. However the adaption of an online admission process conducted by Andhra Pradesh State Council of Higher Education resulting in delayed admission for first semester students. The affiliating university is attempting to streamline the academic year by reducing summer vacation. Classes for third and sixth semester commenced immediately after the examinations. Student Community Service project which is supposed to be carried out during the holidays after second semester is completed during Saturdays and Sundays in the third semester in order to avoid disturbance of the academic year. Short term internship commenced immediately after the completion of fourth semester end examinations.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The objective of this institution is to propagate individuals with values required for twenty first century. Twenty first century requires individuals with good communication and technical skills, strong work ethics, compassionate mind and a commitment for the cause of environment. The curriculum developed by the Andhra Pradesh State Council of Higher Education and approved by the affiliating university has made it mandatory for all the first semester students to complete a life skill course in Human Values. A course in Personality Development and Leadership Skills, Environmental Education are mandatory for the third semester students. Prose lessons and poems reflecting on gender bias, gender equality, human values are integrated in the syllabus prescribed for languages. Soft Skill training with components such as Positive Attitude, Emotional Intelligence, Interpersonal Skills, Netiquette is offered as an integral part of curriculum. The courses offered by all the humanities departments give due weightage to human values,

environment and sustainability. The courses offered by the Science departments thrust upon human induced disasters and green practices. This institution spares no effort to inculcate these values among the young learners through various activities conducted by NSS, Green Cops, Literary Club and Women Empowerment Cell. Student Seminars, Poster presentation, cultural activities, field trips, study projects are conducted to focus on the action required from the side of faculty and students. World Environment Day, Ozone Day, International Women's day, Human Rights Day etc., are celebrated in the institution to uphold ecological concern, righteous conduct and unbiased community interaction.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

This institution caters to individual differences and multiple learning styles by categorizing students into slow, moderate and advanced learners. Learners are primarily divided into slow, moderate and advanced learners basing on their performance and marks scored in their earlier examinations before the commencement of bridge course. Slow learners in each class are defined as the learners who lack the knowledge of fundamental concepts in that subject, who are less interactive in the class, who don't have achievement motivation and who show poor performance in the mid semester examinations. Advanced learners are those students who have good language skills, students who score very well in the mid semester examinations and students who evince interest in accepting challenging assignments. Slow learners would be given home tasks to reinforce the concepts taught in the class. Remedial Coaching is offered before semester end exams to help them achieve the desired result. Advanced learners are encouraged to organize classroom activities, peer teaching and in creating power point presentations. Each teacher designs few critical assignments to suit the learning levels of advanced students. This institution adapts student centric methods to create an active and all-inclusive learning atmosphere.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

This institution strives to reach out to first generation learners from working class families by creating an active and motivating learning atmosphere. Curriculum offered by the institution for this academic year is integrated with Projects to promote experiential and participatory learning. It is mandatory for all the students to complete a 'Community Service Project' after the completion of second semester. During the four-week Community Service Project students conduct Socio-economic survey and organize community awareness programmes in the allotted community. Students compile a report with the problems they have identified in their assigned community and recommend the authorities for a short-term and long-term action plan. One of the Cluster Courses offered by the department of Maths and the department of Commerce include 'Student Study Project' for all the students of sixth semester with an objective of enhancing problem solving ability among them. Teachers organize several activities such as Group Work, Quiz, Class room seminar, role-plays, Group Discussions, Poster Presentations on a regular basis to enhance the learning experience of students. All the departments organize field trips to ensure first hand learning among the students. Online platforms such as Google Work Space, WhatsApp are used extensively to encourage student participation.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The Pandemic has necessitated online connectivity with the students. The Commissioner of Collegiate Education has conducted an online training programme for all the faculty in the state on using Google workspace. Faculty of this institution had extensively used various online platforms to carry out instruction throughout the even semester during this academic year. The video recordings of the online classes were uploaded in Bharat Padey website. Internal assessment for first, fourth and sixth semester was conducted with the help of online tools. Faculty have conducted online quiz competitions, online seminars and other activities. Assignments were posted in Google Classroom. This institution has one virtual class room, LCD Projectors and 30 laptops (sponsored by Andhra Pradesh State Skill Development Corporation) at its disposal. All these digital sources are used by the faculty for an effective instruction. YouTube videos were widely used to supplement classroom instruction. In addition to this faculty had prepared Power point presentations and videos and posted them in the respective WhatsApp groups of students. Students were encouraged to read original texts with the help of open source such as pdf.com. Faculty have attended several National and International Webinars to upgrade themselves.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

This institution is affiliated to Acharya Nagarjuna University which gives 25% weightage for internal assessment. It is ensured by this institution that the internal assessment is continuous and comprehensive. The commissionerate of Collegiate Education, Andhra Pradesh has issued a Standard Operating Procedure for awarding these internal marks. According to the given guidelines two mid semester examinations for twenty and fifteen marks respectively will be conducted. Assignments, Attendance and student participation in Group Discussion/seminar were given 5% weightage. Students would be informed about the internal assessment pattern well in advance. Individual student's score for 50 marks which comes from two mid semester exams, assignment and attendance would be scaled down to 25. This whole process is robust and is carried out in a transparent manner. Notifications for two mid semester exams will be issued well in advance. Question papers are prepared to evaluate the cognitive and effective domains of the student. Students would be informed about the pattern of the question paper. Transparency is ensured with the distribution of the valued answer scripts and assignments. Students had the facility to register a grievance if any relating to internal assessment. These grievances would be personally redressed by the administration within a week.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound

and efficient

The affiliating university has allotted 25% weightage for internal assessment. Internal assessment is conducted for 50 marks with 20 marks allotted for first internal assessment, 15 marks for second internal assessment, 5 marks for assignment, 5 marks for student seminar and 5 marks for student attendance. The overall performance of the student in the above components is scaled down to 25 and submitted to the affiliating university. Both students and parents would be informed about the internal assessment pattern well in advance. A student friendly mechanism has been put in place to minimize internal assessment related grievances. The conduction of mid semester examinations, assignments and attendance is absolutely transparent since the answer scripts and assignments are scrupulously evaluated and distributed to students. The administration has constituted an examinations committee to deal with grievances relating to absenteeism, evaluation procedure and wrong posting of marks. All the faculty members document student seminars and inform parents about their wards' performance to minimize the grievances. Administration and non-teaching faculty volunteer to work on the grievances pertaining to the posting of marks by the affiliating university. Feedback from students and parents is sought to make it more effective

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institution believes that outcome-based education is the need of the hour for the all-around development of the students. The Institute has well-defined Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos), programme-wise and paper-wise, as the case may be. Each department maintains hard copies of Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) along with the syllabus prescribed by the affiliating university. We uploaded Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) on our college website along with the syllabus prescribed. The College has a proper mechanism for communicating Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) to

respective students. At the beginning of each academic year, during Induction Programme, the respective teaching staff would explain to the first-year newly joined students, about Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) along with the course framework to respective students. All the staff would conduct an awareness programme on Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) respective programmes and take signed acknowledgement from all the students as a token of conduct of the awareness programme.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

This institution evaluates the attainment of programme outcomes through the effectiveness of the teaching-learning process, the availability of course material. coverage of syllabus, continuous internal assessment, results, placements data and finally, by obtaining feedback from stakeholders. An awareness about the expected programme outcomes will be created using Power Point Presentation during 'Deeksharambh', the Student Induction programme' for newly admitted students. Teachers design their curricular plans and work in the direction of achieving the outcomes. Activities are designed keeping the outcomes in mind. Question papers for internal assessment are prepared to measure to test the knowledge, understanding, application, analysis and synthesis abilities of the students. The IQAC of the institution continuously monitors the coverage of the syllabus. It is ensured that 100% syllabus is completed in each course across all the programmes. Since this institution caters to the educational needs of first-generation learners, the pass percentage is considered the major criterion for measuring the attainment of Programme outcomes. Result analysis is carried out in different parameters to check the attainment of programme outcomes. Feedback sought from students, teachers, parents and employers is analysed to calculate the attainment of programme outcomes.

4.3 - IT Infrastructure**4.3.1 - Institution frequently updates its IT facilities including Wi-Fi**

This college is equipped with essentially required IT equipment like desktop computers, UPSs, optical fiber internet connectivity with required optical network units (ONU), LCD projectors, multi-function laser jet printers, dot matrix printers, scanners, copiers, etc. In addition, one 'virtual classroom' is installed with all the required equipment to conduct online classes with other colleges. Also, a free Wi-Fi facility is arranged for all staff and students of our college. Our teaching staff are utilizing ICT facilities for the enrichment of the teaching and learning process. During the Covid-19 pandemic, we have conducted only online classes for the entire duration of even semesters during the academic year 2020-21 and got excellent pass percentages. We have been updating our IT facilities frequently. In respect of desktop computers, the operating system (OS) software is updated from the licensed Windows 7 professional version to the licensed Windows 10 professional version, freely by the Microsoft Corporation. As the operating system is updated, the supporting drivers are also being updated automatically for various IT equipment. Our internet connectivity is updated from copper-wire connectivity to optical fiber connectivity by increasing bandwidth from 4 Mbps to 100 Mbps. At the same moment, Wi-Fi speed is also increased enormously accordingly. Recently, we have been using dual bank Wi-Fi routers also.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

A student council is prohibited by the rules. Students, on the other hand, are involved in daily administration and academic activities viz., curricular, co-curricular and extra-curricular activities in order to instill the habit of decision-making and to cultivate future leaders. Active students, one boy and one girl from each class, are nominated as Class Representative, to serve as a liaison between students and the academic body. The class representative represents the opinions and concerns of their classmates and helps the institution run smoothly. Class Representative meetings are held on a regular basis to communicate college policies and administrative changes. The feedback provided by the representatives allows for better interaction and paves the way for constructive decisions. Students are involved as members in College Magazine committee, Women Empowerment Cell, Special Fee and Career Guidance Cell etc. Students plan the Annual College Day and its associated literary, cultural, and sporting events. The activity fosters the development of self-leadership and organisational skills. Every year, students observe important days to raise awareness about their significance. Students participate in NSS activities and are tasked with organising camps and awareness programmes for the Red Ribbon Club, Campus Cleaning, Plantation, and Health activities.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college strives to attain excellence through value based education. Most of the students joined in this institute are from rural areas and most of them are first generation literates. We have 14 sanctioned posts of lecturers in addition to regular principal with sanctioned post.. We have sufficient number of non-teaching staff with sanctioned posts for effective administration. We have been conducting teaching-learning process in an effective manner to promote quality education. Institutional governance involves Principal, teaching and non-teaching staff and Student representatives. Staff members would be assigned in various academic and administrative committees and implementation of all policies would be monitored by these committees. The IQAC works for improvement and quality enhancement in academic activities. There are Career Guidance Cell, Anti Ragging Cell, Women Empowerment Cell etc., to meet various needs of our students for effective governance. Jawahar Knowledge Centre (JKC) conducts training programmes in communication skills, soft skills, analytical skills etc., to promote employability skills among the students. We have been utilizing our available infrastructure to the maximum possible extent. Students would be encouraged to join in NSS, Eco club, Red Ribbon Club etc., to develop social and environmental consciousness.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization of Academic Monitoring: The institution believes in the decentralization of academic matters. So under the chairmanship of the Principal, many committees such as CPDC, Alumni, Examinations, Scholarships, Purchase, Discipline, Sports, Admissions, Library, etc., are formed for smooth and effective functioning of the institution. The Principal co-ordinates on all academic matters through the Heads of Departments, who are the senior-most faculty of the department. IQAC is the main committee to look into the academic matters of the institution. In-charges of the departments, faculty members of the departments, students, parents, alumni, local educational experts are involved in the committees to enhance the academic standards of the institution for all round development of the students.

Active Participative Management of stakeholders: The institution for its better performance involves all the stakeholders namely local educational experts, parents of the students, well wishers of the institution, CPDC members, Principal, all the faculty members and the students at all levels of its functioning.

Feedback: The institution takes feedback from students, parents, alumni, employers and local people on various curricular, co-curricular and extra - curricular aspects, college facilities and other related issues to take further steps for its improvement.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Teaching staff play an imperative role in escalating the institutional performance. Their performance is evaluated periodically at three levels by the in-charge of department, the head of the institution and the Commissioner ate of Collegiate Education through well- established procedures. The procedures for evaluation are designed for rectifications rather than fault finding. The current procedure for appraisal of teachers is primarily concerned with the areas of their teaching, contribution to administration, professional development and research. At the college level, a well-structured annual self-evaluative faculty appraisal procedure prescribed by Andhra Pradesh Commissioner of Collegiate Education, based on UGC Guidelines, is adopted to reckon the performance of the faculty. These performance Indicators are evaluated by the IQAC on the basis of documentary evidences forwarded to Principal for awarding scores and later uploaded to Commissioner ate website. As the final score forms the basis for promotion, transfer and career advancement of the individual lecturer, the process is seriously taken care of. Non-teaching staff performance is appraised. It is reckoned on the basis of their adherence to the citizen's charter and the stipulated deadlines. Month wise review of personal registers and work done by non-teaching staff is monitored closely.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The internal and external financial audits are being conducted regularly. The Government has framed the audit mechanism for all Government Institutions.

The AP Accountant General is the external auditor for Government Institutions. A team from AP Accountant General would visit and examine the all the records in general and financial records in particular. Necessary action would be initiated as per audit objections made by this team.

The Regional Joint Director of Collegiate Education would constitute Audit team and this team would conduct Depth Inspection annually. Necessary action would be initiated as per audit remarks made by this Audit Team and suggestions made by this team would also be implemented.

Apart from the above mechanism, the Principal of the educational institution shall constitute the internal audit team to check the accuracy of various departments / sections / accounts yearly. Financial withdrawal and cash credit into bank accounts would be monitored by the Principal regularly on monthly basis. In the first week of every month, account statement from bank for all accounts would be brought and the actual balance available in the statement must be tallied with cash book balance. By this internal audit, financial misappropriation, if any would be identified.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution invests its best efforts to mobilize both the internal and external resources. These resources are utilized solely for the purpose for which they are granted and records are maintained to that effect. The college receives both internal and external funds as follows.

- 1. UGC grants under various schemes**
- 2. Government budget grants towards other office expenses**
- 3. Government budget grants towards constructions**
- 4. Government budget grants towards purchaser of equipment**
- 5. Special Fee collections**
- 6. Restructured Courses fee collections**
- 7. Funds received under CPDC**
- 8. Donations**

Collection of students fee is main source of inter resource of funds. In recent past, fee structure under various disciplines is enhanced. With this hike fee structure, we have been receiving sufficient funds from internal resources also. we have been

collecting CPDC fee from all students. We have been approaching local philanthropists for donations for development of infrastructure of our college.

Proper utilization of financial resources is very important for proper development of the institute. We do follow all government procedures as stipulated and amended time to time. Civil works regarding infrastructure expansion / maintenance / repairs is conducted through government agencies like Roads and Buildings Department.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

This is government institute and as per our policy document, we do not show any parity against gender and maintain gender equality in aspects and we are against gender-based violence, sexual exploitation, and abuse. We have women students and women employees working in our institute. All women staff members are permitted to utilize their legitimate rights such as maternity leave, child care leave,s, etc., as per rules in force. We would take special care to ensure a significant number of women faculties are entrusted in various academic and administrative committees at the college level.

For promotion of gender equality, the Women Empowerment Cell has launched a nutritional supplement program and women students are being given iron-rich snacks such as 'Dry Fruit Laddu', Ragi Malt, Banana, dates, etc. We do observe International Women's Day, and Savithribai Phule's birthday to create awareness on social problems especially faced by women. Women students attending this institution from remote villages are given information about the paid and unpaid hostels available in Chebrole. Awareness and counseling programs on

‘DISHA’ app initiated by the Government of Andhra Pradesh are organized and women are advised to install ‘DISHA’ app in their mobiles.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste viz., DRY WASTE and WET WASTE. Dry waste includes waste papers, used pens, pencils, food packaging materials etc. Wet waste includes unused food items, fruit peels etc. We do arrange dustbins at various locations in our campus. Green bins are meant for collection of wet waste and blue bins are meant for collection of dry waste. We do provide awareness among the students about separate collection of wet waste and dry waste to properly dispose them by the local authorities.

Liquid waste generates from utilisation of water resources at taps. All the waste water generated at the taps, we made arrangements such that the waste water would flow towards plants and trees located in our campus.

Liquid waste generated at lavatories and toilets would be stored in septic tanks. As and when these septic tanks are filled, the liquid waste is disposed in a proper way as per available sources. We provide awareness among the students regarding recycling of certain waste materials like paper, plastic bottles (used water bottles, soft drink bottles etc.), milk packet covers etc.

We do follow E Waste Management Rules and Hazardous Waste Management Rules issued by the Andhra Pradesh Pollution Control Board.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The rural area in which this institution is located is a closely knit society. An inclusive environment with tolerance and harmony is naturally ensured since most of the students belong to the same working class community with cultural, regional, linguistic, communal, socio economic and other diversities rarely coming to the forefront. However students would be clearly explained about the value of tolerance and harmony that form the core of our constitution and Culture during the Student Induction Programme. The College Planning and Development Council(CPDC) is constituted with members representing each section of the society. Free and Fair environment to express themselves is created by nominating student members from different sections in the college committees. Several activities are organized on a regular basis to promote tolerance and harmony among the staff and students. Community feasts are organized frequently to build mutual respect and trust. Students are collectively involved in 'Community service programmes'. Students are encouraged to participate in all the festivals. Birthdays of inspiring personalities are celebrated irrespective of cultural, regional, linguistic, communal and socioeconomic diversities. Anti-Ragging Committee and Grievance Redressal Cell are established to take care of the communal problems that rarely come to the forefront.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practice-1: Distribution of Free Study Material

Objective of the Practice: Most of the students are first generation learners and from marginalized sections. In order to ease their difficulty, it has been taught to provide them with study material

The Practice: Teaching Faculty either prepare study material or select the best study material available in the market. It is ensured that this study material is student friendly and helps them in the quick revision of the syllabus. All the faculty members contribute fund and donate books before the commencement of remedial coaching. **Difficulties encountered:** Advanced learners couldn't get any benefit from this practice.

Difficulties encountered: Advanced learners couldn't get any benefit from this practice.

Evidence of success: Increased Pass Percentage and enhanced level of confidence in writing the exam from slow learners.

Best Practice-2: Pratibha Puraskar

Objective of the Practice: The teaching faculty of this institution follow the practice of awarding the top scorers in each semester, in each stream and in each subject

The Practice: Semester toppers in each stream, top scorers in each subject are identified by the faculty. These students are encouraged with cash prizes ranging from Rs.500/- to Rs.1000/- by the respective faculty.

Difficulties Encountered: Sometimes faculty have to contribute large

amounts when two or more students show the same performance.

Evidence of Success: This practice is a reflective proof of that principle with enhanced achievement motivation among the students and satisfaction from parents.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

This Government Degree College, Chebrole is located at Chebrole village which is Mandal headquarter, just 15 kms away from Guntur town. There are many small scale industries viz., cotton ginning and spinning mills, textile industries, poultry and cattle feed processing industries, milk factory in and around Chebrolu. The students are taken to these places as part of field trips and awareness is created about various job opportunities available there. This enables them to develop necessary knowledge and skills related to their curriculum and also for employability. Our college offers job oriented training programmes on a special platform called "Jawahar Knowledge Centre (JKC)". JKC classes are conducted for final year students. These classes train the students in behavioural skills, communication skills, reasoning and basic mathematics. Students are trained for various competitive exams like bank exams, state government group exams etc. JKC invites various companies to conduct campus interviews for students of various degree colleges and empower them with employment before completing their degree course. In addition to these, we have been providing 'Training Programmes' conducted by 'SKILL HUB' which is being organised by Andhra Pradesh Stake Skill Development Corporation (APSSDC), leading to employment for all general candidates of Chebrole.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

This institution is affiliated to Acharya Nagarjuna University and adheres to the curriculum framed by the university. Each undergraduate programme is steered through six semesters. Each department sets to work with a clearly defined record of Programme Outcomes, Programme Specific Outcomes and Course Outcomes. The POs and PSOs are kept at the disposal of all the stake holders. The IQAC of the college prepares an institutional plan annually in consonance with the academic calendar circulated by the affiliating university. Effective curriculum transaction is ensured through proper planning after considering the number days available for instruction, infrastructural facilities and human resources. Each faculty member prepares an Annual Academic Curricular Plan (AACP) to schedule various curricular, co-curricular and extra-curricular activities and works in the direction of achieving the expected outcomes of each programme and course. Bridge Course, class wise time table, Internal assessment and remedial coaching slots are fixed well in advance. IQAC encourages the faculty to adapt student centric methods such as project-based and experiential learning. The efficacy of class room instruction is measured through a structured feedback from the students. This institution has organized three certificate courses to supplement university prescribed curriculum.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

This institution strictly adheres to the Academic calendar circulated by the affiliating university. The commencement of classes for each semester, payment of examination fee, closure of

instruction, theory and practical examinations schedule and terminal holidays prescribed by the university are followed without any deviation. Internal assessment is continuous and comprehensive with due weightage given to assignment, student seminar and two mid-semester examinations. Internal assessment time table is prepared before the beginning of instruction and followed by all the departments. The supporting cells of the institution such as Placement cell, NSS etc., prepare separate calendars for effective functioning. However the adaption of an online admission process conducted by Andhra Pradesh State Council of Higher Education resulting in delayed admission for first semester students. The affiliating university is attempting to streamline the academic year by reducing summer vacation. Classes for third and sixth semester commenced immediately after the examinations. Student Community Service project which is supposed to be carried out during the holidays after second semester is completed during Saturdays and Sundays in the third semester in order to avoid disturbance of the academic year. Short term internship commenced immediately after the completion of fourth semester end examinations.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The objective of this institution is to propagate individuals with values required for twenty first century. Twenty first century requires individuals with good communication and technical skills, strong work ethics, compassionate mind and a commitment for the cause of environment. The curriculum developed by the Andhra Pradesh State Council of Higher Education and approved by the affiliating university has made it mandatory for all the first semester students to complete a life skill course in Human Values. A course in Personality Development and Leadership Skills, Environmental Education are mandatory for the third semester students. Prose lessons and poems reflecting on gender bias, gender equality, human values are integrated in the syllabus prescribed for languages. Soft Skill training with components such as Positive Attitude, Emotional Intelligence, Interpersonal Skills, Netiquette is offered as an integral part of curriculum. The courses offered by all the humanities departments give due weightage to human values, environment and sustainability. The courses offered by the Science departments thrust upon human induced disasters and green practices. This institution spares no effort to inculcate these values among the young learners through various activities conducted by NSS, Green Cops, Literary Club and Women Empowerment Cell. Student Seminars, Poster presentation, cultural activities, field trips, study projects are conducted to focus on the action required from the side of faculty and students. World Environment Day, Ozone Day, International Women's day, Human Rights Day etc., are celebrated in the institution to uphold ecological concern, righteous conduct and unbiased community interaction.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

This institution caters to individual differences and multiple learning styles by categorizing students into slow, moderate and advanced learners. Learners are primarily divided into slow, moderate and advanced learners basing on their performance and marks scored in their earlier examinations before the commencement of bridge course. Slow learners in each class are defined as the learners who lack the knowledge of fundamental concepts in that subject, who are less interactive in the class, who don't have achievement motivation and who show poor performance in the mid semester examinations. Advanced learners are those students who have good language skills, students who score very well in the mid semester examinations and students who evince interest in accepting challenging assignments. Slow learners would be given home tasks to reinforce the concepts taught in the class. Remedial Coaching is offered before semester end exams to help them achieve the desired result. Advanced learners are encouraged to organize classroom activities, peer teaching and in creating power point presentations. Each teacher designs few critical assignments to suit the learning levels of advanced students. This institution adapts student centric methods to create an active and all-inclusive learning atmosphere.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

This institution strives to reach out to first generation learners from working class families by creating an active and motivating learning atmosphere. Curriculum offered by the institution for this academic year is integrated with Projects to promote experiential and participatory learning. It is mandatory for all the students to complete a 'Community Service Project' after the completion of second semester. During the four-week Community Service Project students conduct Socio-economic survey and organize community awareness programmes in the allotted community. Students compile a report with the problems they have identified in their assigned community and recommend the authorities for a short-term and long-term action plan. One of the Cluster Courses offered by the department of Maths and the department of Commerce include 'Student Study Project' for all the students of sixth semester with an objective of enhancing problem solving ability among them. Teachers organize several activities such as Group Work, Quiz, Class room seminar, role-plays, Group Discussions, Poster Presentations on a regular basis to enhance the learning experience of students. All the departments organize field trips to ensure first hand learning among the students. Online platforms such as Google Work Space, WhatsApp are used extensively to encourage student participation.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The Pandemic has necessitated online connectivity with the students. The Commissioner of Collegiate Education has conducted an online training programme for all the faculty in the state on using Google workspace. Faculty of this institution had extensively used various online platforms to carry out instruction throughout the even semester during this academic year. The video recordings of the online classes were uploaded in Bharat Padey website. Internal assessment for first, fourth and sixth semester was conducted with the help of online tools. Faculty have conducted online quiz competitions, online seminars and other activities. Assignments were posted in Google Classroom. This institution has one virtual class room, LCD Projectors and 30 laptops (sponsored by Andhra Pradesh State Skill Development Corporation) at its disposal. All these digital sources are used by the faculty for an effective instruction. YouTube videos were widely used to supplement classroom instruction. In addition to this faculty had prepared Power point presentations and videos and posted them in the respective WhatsApp groups of students. Students were encouraged to read original texts with the help of open source such as pdf.com. Faculty have attended several National and International Webinars to upgrade themselves.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

This institution is affiliated to Acharya Nagarjuna University which gives 25% weightage for internal assessment. It is ensured by this institution that the internal assessment is continuous and comprehensive. The commissionerate of Collegiate Education, Andhra Pradesh has issued a Standard Operating Procedure for awarding these internal marks. According to the given guidelines two mid semester examinations for twenty and fifteen marks respectively will be conducted. Assignments, Attendance and student participation in Group Discussion/seminar were given 5% weightage. Students would be informed about the internal assessment pattern well in advance. Individual student's score for 50 marks which comes from two mid semester exams, assignment and attendance would be scaled down to 25. This whole process is robust and is carried out in a transparent manner. Notifications for two mid semester exams will be issued well in advance. Question papers are prepared to evaluate the cognitive and effective domains of the student. Students would be informed about the pattern of the question paper. Transparency is ensured

with the distribution of the valued answer scripts and assignments. Students had the facility to register a grievance if any relating to internal assessment. These grievances would be personally redressed by the administration within a week.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The affiliating university has allotted 25% weightage for internal assessment. Internal assessment is conducted for 50 marks with 20 marks allotted for first internal assessment, 15 marks for second internal assessment, 5 marks for assignment, 5 marks for student seminar and 5 marks for student attendance. The overall performance of the student in the above components is scaled down to 25 and submitted to the affiliating university. Both students and parents would be informed about the internal assessment pattern well in advance. A student friendly mechanism has been put in place to minimize internal assessment related grievances. The conduction of mid semester examinations, assignments and attendance is absolutely transparent since the answer scripts and assignments are scrupulously evaluated and distributed to students. The administration has constituted an examinations committee to deal with grievances relating to absenteeism, evaluation procedure and wrong posting of marks. All the faculty members document student seminars and inform parents about their wards' performance to minimize the grievances. Administration and non-teaching faculty volunteer to work on the grievances pertaining to the posting of marks by the affiliating university. Feedback from students and parents is sought to make it more effective

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The institution believes that outcome-based education is the need of the hour for the all-around development of the students. The Institute has well-defined Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos), programme-wise and paper-wise, as the case may be. Each department maintains hard copies of Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) along with the syllabus prescribed by the affiliating university. We uploaded Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) on our college website along with the syllabus prescribed. The College has a proper mechanism for communicating Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) to respective students. At the beginning of each academic year, during Induction Programme, the respective teaching staff would explain to the first-year newly joined students, about Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) along with the course framework to respective students. All the staff would conduct an awareness programme on Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos) respective programmes and take signed acknowledgement from all the students as a token of conduct of the awareness programme.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

This institution evaluates the attainment of programme outcomes through the effectiveness of the teaching-learning process, the availability of course material. coverage of syllabus, continuous internal assessment, results, placements data and finally, by obtaining feedback from stakeholders. An awareness about the expected programme outcomes will be created using Power Point

Presentation during 'Deeksharambh', the Student Induction programme' for newly admitted students. Teachers design their curricular plans and work in the direction of achieving the outcomes. Activities are designed keeping the outcomes in mind. Question papers for internal assessment are prepared to measure to test the knowledge, understanding, application, analysis and synthesis abilities of the students. The IQAC of the institution continuously monitors the coverage of the syllabus. It is ensured that 100% syllabus is completed in each course across all the programmes. Since this institution caters to the educational needs of first-generation learners, the pass percentage is considered the major criterion for measuring the attainment of Programme outcomes. Result analysis is carried out in different parameters to check the attainment of programme outcomes. Feedback sought from students, teachers, parents and employers is analysed to calculate the attainment of programme outcomes.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

This college is equipped with essentially required IT equipment like desktop computers, UPSs, optical fiber internet connectivity with required optical network units (ONU), LCD projectors, multi-function laser jet printers, dot matrix printers, scanners, copiers, etc. In addition, one 'virtual classroom' is installed with all the required equipment to conduct online classes with other colleges. Also, a free Wi-Fi facility is arranged for all staff and students of our college. Our teaching staff are utilizing ICT facilities for the enrichment of the teaching and learning process. During the Covid-19 pandemic, we have conducted only online classes for the entire duration of even semesters during the academic year 2020-21 and got excellent pass percentages. We have been updating our IT facilities frequently. In respect of desktop computers, the operating system (OS) software is updated from the licensed Windows 7 professional version to the licensed Windows 10 professional version, freely by the Microsoft Corporation. As the operating system is updated, the supporting drivers are also being updated automatically for various IT equipment. Our internet connectivity is updated from copper-wire connectivity to optical fiber connectivity by

increasing bandwidth from 4 Mbps to 100 Mbps. At the same moment, Wi-Fi speed is also increased enormously accordingly. Recently, we have been using dual bank Wi-Fi routers also.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

A student council is prohibited by the rules. Students, on the other hand, are involved in daily administration and academic activities viz., curricular, co-curricular and extra-curricular activities in order to instill the habit of decision-making and to cultivate future leaders. Active students, one boy and one girl from each class, are nominated as Class Representative, to serve as a liaison between students and the academic body. The class representative represents the opinions and concerns of their classmates and helps the institution run smoothly. Class Representative meetings are held on a regular basis to

communicate college policies and administrative changes. The feedback provided by the representatives allows for better interaction and paves the way for constructive decisions. Students are involved as members in College Magazine committee, Women Empowerment Cell, Special Fee and Career Guidance Cell etc. Students plan the Annual College Day and its associated literary, cultural, and sporting events. The activity fosters the development of self-leadership and organisational skills. Every year, students observe important days to raise awareness about their significance. Students participate in NSS activities and are tasked with organising camps and awareness programmes for the Red Ribbon Club, Campus Cleaning, Plantation, and Health activities.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college strives to attain excellence through value based

education. Most of the students joined in this institute are from rural areas and most of them are first generation literates. We have 14 sanctioned posts of lecturers in addition to regular principal with sanctioned post.. We have sufficient number of non-teaching staff with sanctioned posts for effective administration. We have been conducting teaching-learning process in an effective manner to promote quality education. Institutional governance involves Principal, teaching and non-teaching staff and Student representatives. Staff members would be assigned in various academic and administrative committees and implementation of all policies would be monitored by these committees. The IQAC works for improvement and quality enhancement in academic activities. There are Career Guidance Cell, Anti Ragging Cell, Women Empowerment Cell etc., to meet various needs of our students for effective governance. Jawahar Knowledge Centre (JKC) conducts training programmes in communication skills, soft skills, analytical skills etc., to promote employability skills among the students. We have been utilizing our available infrastructure to the maximum possible extent. Students would be encouraged to join in NSS, Eco club, Red Ribbon Club etc., to develop social and environmental consciousness.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Teaching staff play an imperative role in escalating the institutional performance. Their performance is evaluated periodically at three levels by the in-charge of department, the head of the institution and the Commissioner ate of Collegiate

Education through well- established procedures. The procedures for evaluation are designed for rectifications rather than fault finding. The current procedure for appraisal of teachers is primarily concerned with the areas of their teaching, contribution to administration, professional development and research. At the college level, a well-structured annual self-evaluative faculty appraisal procedure prescribed by Andhra Pradesh Commissioner of Collegiate Education, based on UGC Guidelines, is adopted to reckon the performance of the faculty. These performance Indicators are evaluated by the IQAC on the basis of documentary evidences forwarded to Principal for awarding scores and later uploaded to Commissioner ate website. As the final score forms the basis for promotion, transfer and career advancement of the individual lecturer, the process is seriously taken care of. Non-teaching staff performance is appraised. It is reckoned on the basis of their adherence to the citizen's charter and the stipulated deadlines. Month wise review of personal registers and work done by non-teaching staff is monitored closely.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The internal and external financial audits are being conducted regularly. The Government has framed the audit mechanism for all Government Institutions.

The AP Accountant General is the external auditor for Government Institutions. A team from AP Accountant General would visit and examine the all the records in general and financial records in particular. Necessary action would be initiated as per audit objections made by this team.

The Regional Joint Director of Collegiate Education would constitute Audit team and this team would conduct Depth

Inspection annually. Necessary action would be initiated as per audit remarks made by this Audit Team and suggestions made by this team would also be implemented.

Apart from the above mechanism, the Principal of the educational institution shall constitute the internal audit team to check the accuracy of various departments / sections / accounts yearly. Financial withdrawal and cash credit into bank accounts would be monitored by the Principal regularly on monthly basis. In the first week of every month, account statement from bank for all accounts would be brought and the actual balance available in the statement must be tallied with cash book balance. By this internal audit, financial misappropriation, if any would be identified.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution invests its best efforts to mobilize both the internal and external resources. These resources are utilized

solely for the purpose for which they are granted and records are maintained to that effect. The college receives both internal and external funds as follows.

1. UGC grants under various schemes
2. Government budget grants towards other office expenses
3. Government budget grants towards constructions
4. Government budget grants towards purchaser of equipment
5. Special Fee collections
6. Restructured Courses fee collections
7. Funds received under CPDC
8. Donations

Collection of students fee is main source of inter resource of funds. In recent past, fee structure under various disciplines is enhanced. With this hike fee structure, we have been receiving sufficient funds from internal resources also. we have been collecting CPDC fee from all students. We have been approaching local philanthropists for donations for development of infrastructure of our college.

Proper utilization of financial resources is very important for proper development of the institute. We do follow all government procedures as stipulated and amended time to time. Civil works regarding infrastructure expansion / maintenance / repairs is conducted through government agencies like Roads and Buildings Department.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

This is government institute and as per our policy document, we do not show any parity against gender and maintain gender equality in aspects and we are against gender-based violence, sexual exploitation, and abuse. We have women students and women employees working in our institute. All women staff members are permitted to utilize their legitimate rights such as maternity leave, child care leave,s, etc., as per rules in force. We would take special care to ensure a significant number of women faculties are entrusted in various academic and administrative committees at the college level.

For promotion of gender equality, the Women Empowerment Cell has launched a nutritional supplement program and women students are being given iron-rich snacks such as 'Dry Fruit Laddu', Ragi Malt, Banana, dates, etc. We do observe International Women's Day, and Savithribai Phule's birthday to create awareness on social problems especially faced by women. Women students attending this institution from remote villages are given information about the paid and unpaid hostels available in Chebrole. Awareness and counseling programs on 'DISHA' app initiated by the Government of Andhra Pradesh are organized and women are advised to install 'DISHA' app in their mobiles.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste viz., DRY WASTE and WET WASTE. Dry waste includes waste papers, used pens, pencils, food packaging materials etc. Wet waste includes unused food items, fruit peels etc. We do arrange dustbins at various locations in our campus. Green bins are meant for collection of wet waste and blue bins are meant for collection of dry waste. We do provide awareness among the students about separate collection of wet waste and dry waste to properly dispose them by the local authorities.

Liquid waste generates from utilisation of water resources at taps. All the waste water generated at the taps, we made arrangements such that the waste water would flow towards plants and trees located in our campus.

Liquid waste generated at lavatories and toilets would be stored in septic tanks. As and when these septic tanks are filled, the liquid waste is disposed in a proper way as per available

sources. We provide awareness among the students regarding recycling of certain waste materials like paper, plastic bottles (used water bottles, soft drink bottles etc.), milk packet covers etc.

We do follow E Waste Management Rules and Hazardous Waste Management Rules issued by the Andhra Pradesh Pollution Control Board.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The rural area in which this institution is located is a closely knit society. An inclusive environment with tolerance and harmony is naturally ensured since most of the students belong to the same working class community with cultural, regional, linguistic, communal, socio economic and other diversities rarely coming to the forefront. However students would be clearly explained about the value of tolerance and harmony that form the core of our constitution and Culture during the Student Induction Programme. The College Planning and Development Council(CPDC) is constituted with members representing each section of the society. Free and Fair environment to express themselves is created by nominating student members from different sections in the college committees. Several activities are organized on a regular basis to promote tolerance and harmony among the staff and students. Community feasts are organized frequently to build mutual respect and trust. Students are collectively involved in 'Community service programmes'. Students are encouraged to participate in all the festivals. Birthdays of inspiring personalities are celebrated irrespective of cultural, regional, linguistic, communal and socioeconomic diversities. Anti-Ragging Committee and Grievance Redressal Cell are established to take care of the communal problems that rarely come to the forefront.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practice-1: Distribution of Free Study Material

Objective of the Practice: Most of the students are first generation learners and from marginalized sections. In order to ease their difficulty, it has been taught to provide them with study material

The Practice: Teaching Faculty either prepare study material or select the best study material available in the market. It is ensured that this study material is student friendly and helps them in the quick revision of the syllabus. All the faculty members contribute fund and donate books before the commencement of remedial coaching. **Difficulties encountered:** Advanced learners couldn't get any benefit from this practice.

Difficulties encountered: Advanced learners couldn't get any benefit from this practice.

Evidence of success: Increased Pass Percentage and enhanced level of confidence in writing the exam from slow learners.

Best Practice-2: Pratibha Puraskar

Objective of the Practice: The teaching faculty of this institution follow the practice of awarding the top scorers in each semester, in each stream and in each subject

The Practice: Semester toppers in each stream, top scorers in each subject are identified by the faculty. These students are encouraged with cash prizes ranging from Rs.500/- to Rs.1000/- by the respective faculty.

Difficulties Encountered: Sometimes faculty have to contribute large amounts when two or more students show the same performance.

Evidence of Success: This practice is a reflective proof of that principle with enhanced achievement motivation among the students and satisfaction from parents.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

This Government Degree College, Chebrole is located at Chebrole village which is Mandal headquarter, just 15 kms away from Guntur town. There are many small scale industries viz., cotton ginning and spinning mills, textile industries, poultry and cattle feed processing industries, milk factory in and around Chebrolu. The students are taken to these places as part of field trips and awareness is created about various job opportunities available there. This enables them to develop necessary knowledge and skills related to their curriculum and also for employability. Our college offers job oriented training programmes on a special platform called "Jawahar Knowledge Centre (JKC)". JKC classes are conducted for final year students. These classes train the students in behavioural skills, communication skills, reasoning and basic mathematics. Students are trained for various competitive exams like bank exams, state government group exams etc. JKC invites various companies to conduct campus interviews for students of various degree colleges and empower them with employment before completing their degree course. In addition to these, we have been providing 'Training Programmes' conducted by 'SKILL HUB' which is being organised by Andhra Pradesh Stake Skill Development Corporation (APSSDC), leading to employment for all general candidates of Chebrole.
