Respected Madam,

Subject: Request for Permission to Hold a Field Trip to District Frozen Depot in Chebrolu, Guntur District, as well as Agricultural and Livestock Farming, and a Nearby Small Farm on November 22, 2022.

On behalf of the Department of Hindi, we kindly request the principal to grant permission to the I and III Semester B.Z.C. students from this college to go on a field visit on November 22, 2022. The visit will include District Frozen Depot in Chebrolu, Guntur district, as well as Agricultural and Livestock Farming, and a nearby small farm. This field trip will allow the students to apply their theoretical knowledge in a real-life setting and enhance their understanding of the importance of teamwork and responsibility in the agricultural sector.

Thanking you Madam,

Yours obediently,

Department of Hindi,

Topic: Field Trip Visit to District Frozen Semen Depot, Chebrolu , Guntur district and Agricultural and livestock farming

Place to which visited: Chebrole

No.of Students involved: 14

Class/Year: Staff & B.Z.C Students

Conducted in collaboration with: Chemistry Departments

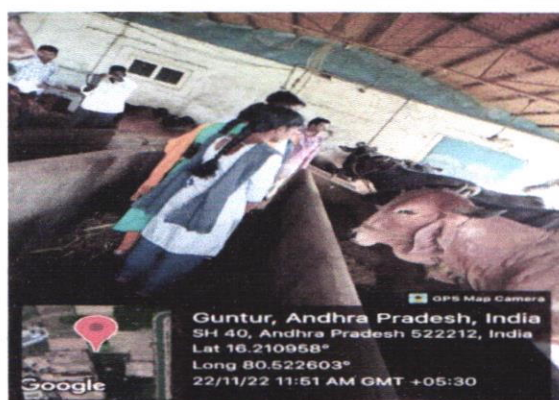

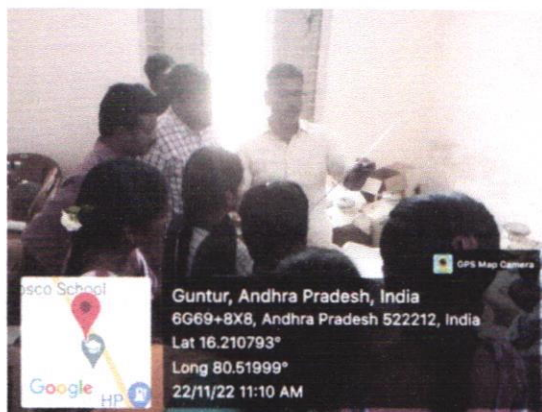

Aim: To visit the district frozen semen depot, Chebrolu, Guntur district, and agricultural and livestock farming on a field trip.

Objective: The goal of this field trip is to provide awareness about the District Frozen Semen Depot, Chebrolu, Guntur district, and agricultural and livestock farming.

Report: On November 22, 2022, the Department of Hindi Faculty, Ch. Sunel Kumar, as an Incharge of the B.Z.C. Course, led a field trip visit to the district frozen depot in Chebrolu, Guntur district, which focused on agricultural and livestock farming. The field trip commenced with a warm welcome from the depot's management team, who graciously provided an overview of the facility's operations. The students were then guided through the various sections of the depot, where they observed the handling and storage of livestock products.

Outcomes: This visit provided us with valuable insights into the world of agricultural and livestock farming, and the outcomes were truly enlightening. Furthermore, our field trip extended beyond the depot, delving into the realm of agricultural and livestock farming. We had the privilege of visiting local farms, where we witnessed the dedication and hard work of

farmers in cultivating crops and rearing livestock. It was fascinating to observe the intricate processes involved in nurturing the land and caring for the animals.
