- To familiarize students with the exam format and question patterns.
- To instill confidence and motivation in students to face competitive exams.

Outcomes:

- Students will develop a strong understanding of reasoning and arithmetic concepts.
- Students will demonstrate improved problem-solving skills and analytical thinking.

- Students will exhibit enhanced mathematical abilities and accuracy.
- Students will be well-prepared and confident to tackle competitive exams successfully.

Report:

On January 24th, 2020, a competitive exam guidance program in reasoning and arithmetic was conducted at the College II B.com classroom from 11 a.m. to 12 p.m. The program aimed to provide valuable insights and guidance to the students.

The resource person for this program was Mr. M. Sastri, a highly experienced lecturer in Mathematics from Career Degree College, Guntur. Mr. Sastri shared his expertise and knowledge with the students, helping them understand the intricacies of competitive exams.

A total of 40 first- and second-year students participated in this event, including those from the Hindi and Telugu departments. The programme was organised by the Department of Hindi under the guidance of Dr. B. Srinivasa Rao, Lecturer in Hindi.

The students were given the opportunity to enhance their understanding of competitive exams and gain valuable insights into reasoning and arithmetic. The program aimed to equip them with the necessary skills and knowledge to excel in these exams.

Overall, the program was a great success, providing the students with a platform to learn and grow. The Department of Hindi and the other faculty members are committed to organizing more such events in the future to support the students in their academic and career endeavors.
