DEPARTMENT OF MATHEMATICS
ESSAY WRITING COMPETITION PROGRAMME

Aim: To develop writing skills and competitive spirit among students.

Topic: National Mathematics Day

Objectives:

22 December is observed as National Mathematics Day to mark the birth anniversary of Srinivasa Ramanujan, a renowned Indian mathematician. Mathematics Day is marked to celebrate his works and recognize him as a legend in mathematics.

Report :

Mathematics is a deliberate utilization of issue. Mathematics is one of the main subjects of our life. Information on math helps you make better choices throughout everyday life, which helps make life simpler. The financial area is identified with maths; thus, even the clients should be acquainted with it.

S. Ramanujan was an Indian mathematician during the British Rule. He had never been formally trained in the subject, yet he became one of the greatest mathematicians of all time.

Certain qualities that are nurtured by mathematics are power of reasoning, creativity, abstract or spatial thinking, critical thinking, problem-solving ability and even effective communication skills.

The Department of Mathematics conducted an Essay Writing Competition Programme on 21-12-2022 in our College. The Essay Writing Competition was organized with the help of the students.

Outcomes :

The main motto of mathematics day celebration is to make people aware of the significance of numbers in life. According to Ramanujan, "Numbers do speak". On this very day, several schools and colleges till date organize camps and training for both the teachers and students to enrich their mathematical skills..
