On July 21, 2023, the Department of Hindi from Government Degree College, Chebrole organized a field trip to SBI Bank in Chebrolu, Guntur District. The purpose of the trip was to familiarize the students with functional Hindi and technical terms used in the banking industry.

Upon arrival, our team was warmly welcomed by the SBI Chebrole Bank Manager, Sanjeev Kumar Bhansaal, along with Chukka Yamini Srinivas, the field officer, and Shaik Hafizulla, the messenger. The bank manager and his team received us very well.

During the visit, two of our students, Kattula Jyothi Prasanna from the first year BSc (MPC) program and Akaramsetti Manikanta from the B.Com (CA) program, had the opportunity to be interviewed by the bank manager in Hindi. This was particularly interesting as the bank manager himself hailed from North India. The interview was conducted in a highly engaging manner, and the bank manager expressed his satisfaction with the students' performance.

Throughout the visit, our students keenly observed the usage of Hindi technical terms in the bank. To our delight, the bank manager also provided us with snacks and drinks, ensuring our comfort during the visit.

As the visit came to a close, the bank manager generously handed out new account opening forms and requested our students to educate their fellow classmates at Government Degree College about the process of opening new bank accounts. This gesture highlighted the bank manager's commitment to promoting financial literacy among students.

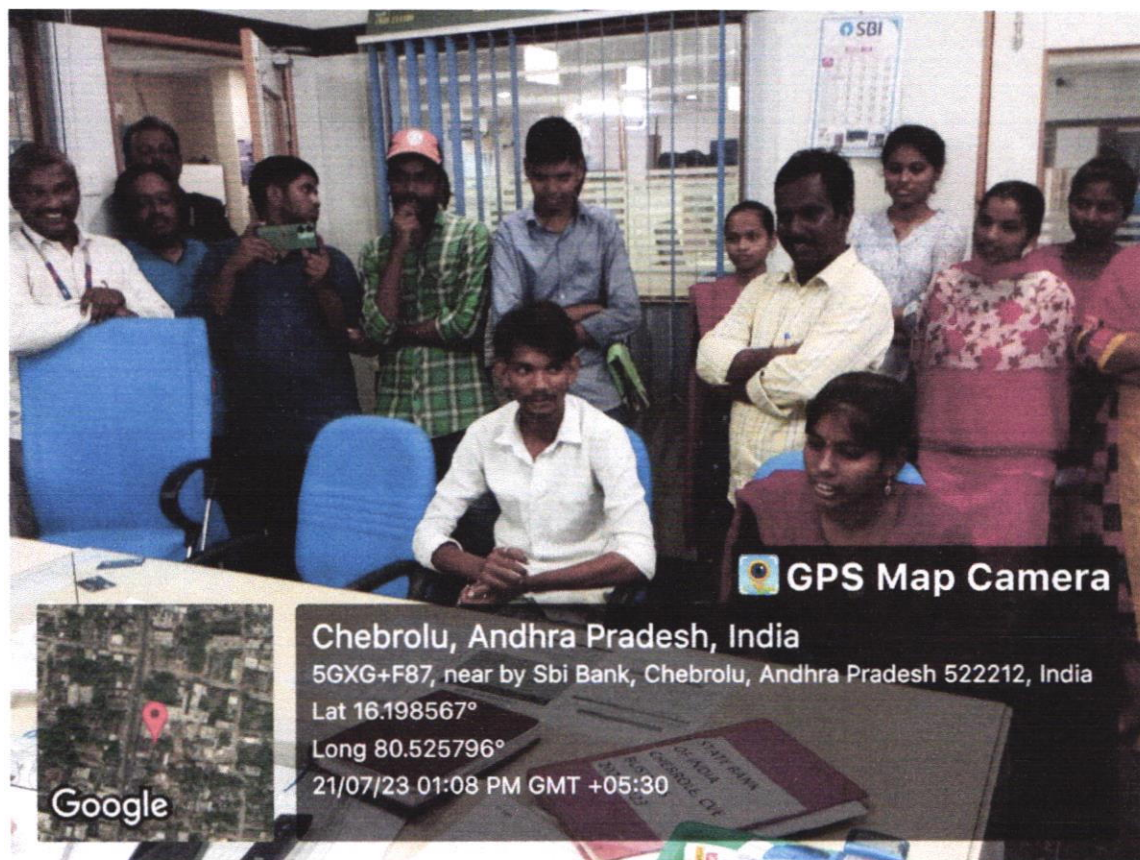

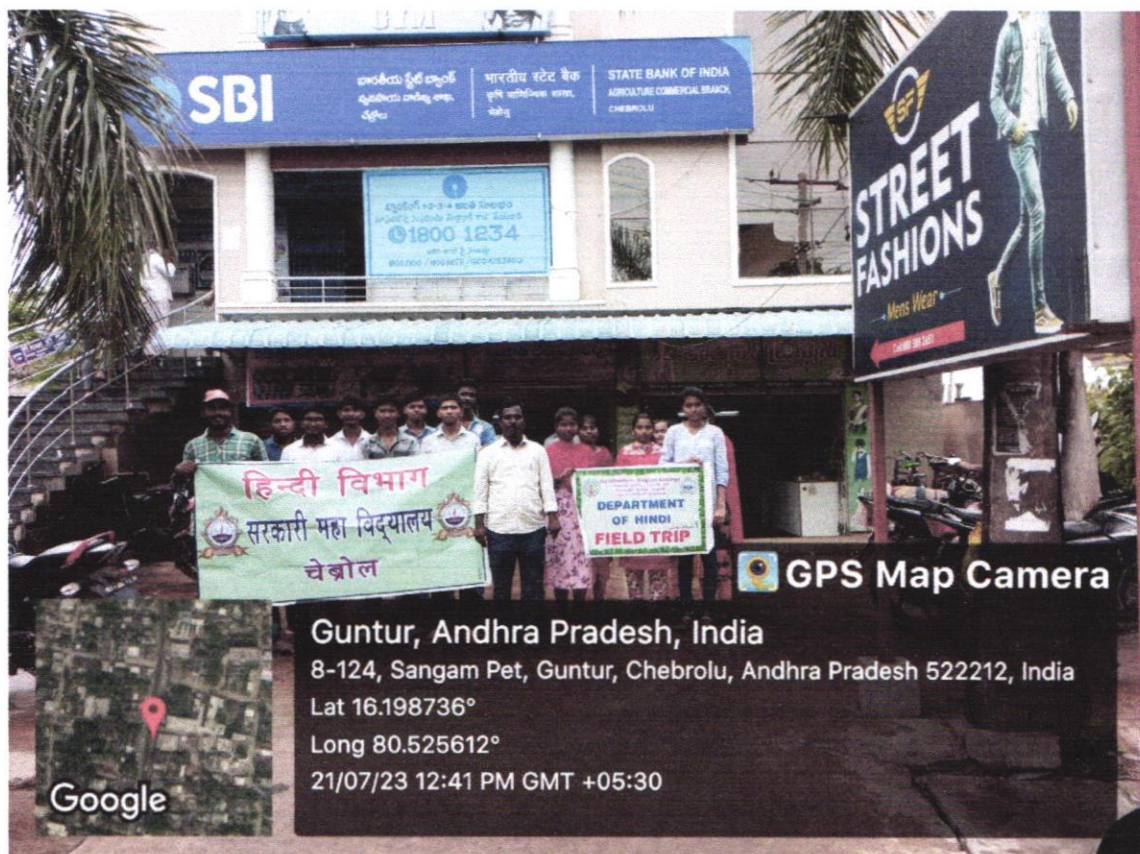

Overall, the field trip to SBI Bank in Chebrolu was a valuable experience for the Department of Hindi students. It not only enhanced their understanding of functional Hindi and technical terms but also provided them with practical insights into the banking industry.
