DEPARTMENT OF HINDI

Report on

Student Seminar Programme

Aims:

1. To enhance the academic and intellectual growth of students in the field of Hindi language and literature.
2. To provide a platform for students to showcase their research and presentation skills.
3. To foster a sense of community and collaboration among students interested in Hindi studies.

Objectives:

1. To organize regular seminars and workshops on various topics related to Hindi language, literature, and culture.
2. To invite renowned scholars and experts in the field to deliver lectures and interact with students.
3. To encourage students to conduct independent research and present their findings in a scholarly manner.
4. To facilitate discussions and debates on contemporary issues in Hindi studies.
5. To promote the use of Hindi language in various academic and professional domains.

Outcomes:

1. Students will develop a deeper understanding of Hindi language, literature, and culture.
2. Students will enhance their research, presentation, and critical thinking skills.

3. Students will gain exposure to diverse perspectives and ideas in the field of Hindi studies.
4. Students will have the opportunity to network with scholars and professionals in the Hindi language domain.
5. Students will be better equipped to pursue higher education or careers in Hindi language and literature.

Report:

Today, on 01-09-2022, the Department of Hindi at our institution organized a student seminar. The seminar was conducted by the faculty member, Mr. Ch. Suneel Kumar. The seminar covered two important topics: "Beimaanee Kee Parat" for science students and "HIV/AIDS" for arts students. It was heartening to witness the enthusiastic participation of a majority of second-semester students in this enlightening program.

The seminar commenced with Mr. Suneel Kumar's insightful presentation on the topic of "Beimaanee Kee Parat," which captivated the attention of our science students. The session delved into the intricate web of deceit and dishonesty prevalent in our society, shedding light on the consequences and ways to combat this issue. The students were actively engaged, displaying a genuine interest in the subject matter.

Simultaneously, the arts students were engrossed in an equally significant topic, "HIV/AIDS." This session aimed to raise awareness about the devastating impact of this disease and the importance of prevention and support for those affected. The students exhibited a commendable level of empathy and concern, actively participating in discussions and sharing their perspectives.

The seminar proved to be an invaluable platform for our students to enhance their knowledge and broaden their horizons. It fostered an environment of intellectual growth and encouraged critical thinking. The faculty's dedication and the students' enthusiasm created an atmosphere of mutual learning and collaboration.

We extend our heartfelt appreciation to Mr. Ch. Suneel Kumar for his exceptional guidance and expertise in conducting this seminar. His commitment to the students' academic development is truly commendable.

In conclusion, today's student seminar was a resounding success, leaving a lasting impact on all those who participated. We look forward to organizing more such enriching events in the future, empowering our students to become well-rounded individuals and contributing members of society.
