Brief Report:

Sri Ch. Suneel Kumar, lecturer in charge of the department of Botany at this college, conducted a student exchange programme on 07-02 2023. As part of this programme, 5 students of I B.Sc. (C.B.Z.) and 6 students of II B.Sc. (C.B.Z.) of our college visited the Department of Botany at AC College, Guntur. T.D.Rajashekar and M.R.Paul Satyakeerti, Lecturers in Botany, A.C. College, Guntur, invited us, and they conducted practical classes on the topic "Anomalous secondary Growth in Boerhaavia" for our second-year students and a lab practical class for first-year students. They explained the topics in the beginning. Later, they demonstrated the practicals in detail. Our students were involved in the practical class and benefitted greatly. Our students

have verified the laboratory infrastructure available at that college and compared it with our college infrastructure. Also, our students interacted with the students of Government College for Women, Guntur, for a few minutes.

Outcomes:

1. Student have benefited much through experiential learning by attending practical class at the host college
2. Student observed and compared the teaching learning process at the host college with Parent College.
