No. of students benefitted	11
Place of conduct	Department of Botany, Government College for Women, Guntur.
Resource person	Smt. D. Uma Nichal, Lecturer in Botany, Government College for Women, Guntur

Objectives

1. To broadening their knowledge on their study of choice from a different place
2. To provide a chance to develop their work experience by seeing how their study is practices in another place.

Brief Report:

Sri Ch. Suneel Kumar, Lecturer in-charge of department of Botany of this college conducted **Student Exchange Programme** on 18-06-2022. As part of this programmed, 11 students of I B.Sc., (C.B.Z.,) of our college visited Department of Botany, Government College for Women, Guntur. Smt. D. Uma Nichal, Lecturer in Botany, Government College for Women, Guntur invited us and she conducted a practical class on the topics "**Bryophyte**" and **Microbiology** for our students. she explained about the topics in the beginning. Later, she demonstrated about the practical in detail. Our students involved in the practical class and benefitted much. Our students have verified the laboratory infrastructure available in that

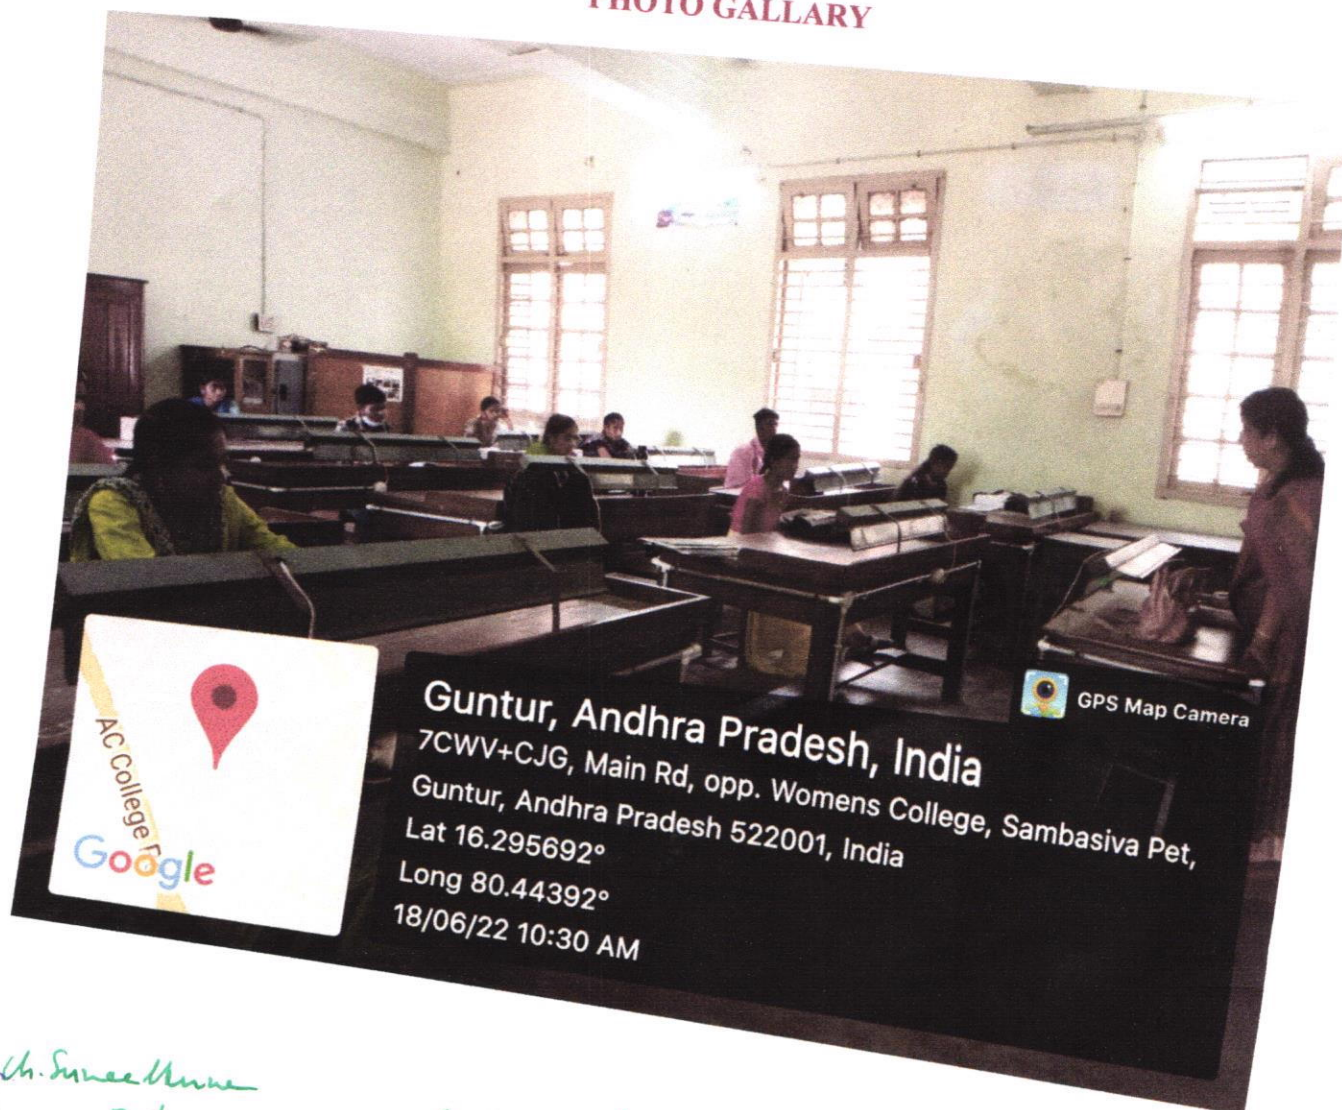

college and compared the same with our college infrastructure. Also, our students interacted with the students of Government College for Women, Guntur, for a few minutes.

Outcomes:

1. Student have benefited much through experiential learning by attending practical class at the host college
2. Student observed and compared the teaching learning process at the host college with parent college.
